SCHOOL COUNCIL

March 8th was the School Council's Annual General Meeting where we came together to elect our parent and teacher representatives.

We were looking for 7 parent members and ended up with all 7 PLUS filling our 2 invited member positions with parents as well. A huge thank you to the parents who came along either in person or virtually. This was the largest turn out of parents that Parap PS has experienced, certainly in the 3 years I have been on council.

I would like to introduce our school community to our council for 2022:

Parap School Council News

A big thank you to Clara Tole, who has been an active member of council for the past several years and a key driver of our busy bees, which will continue in 2022.

In addition, thank you to Eliane Lefebvre, Nicole Brown, Cimarra Stephensen and Ruth Hillier for also coming along to support the council. In attendance also was Alice Gawler from the Council of Government Schools Organisation (COGSO) who so generously assisted us once again with our governance proceedings.

Following the AGM, we conducted a brief general meeting where we inducted our members and elected office bearers.

Congratulations to Cameron McDonald, again re-elected as treasurer for a further 2 years. We thank you so much for the work you do with Debby Gribben on the school's finances.

And congratulations to Minh Le, our new secretary! We know you will be a wonderful asset to the council. Cailin Wigg also generously offered to support in this vital role so thank you and we look forward to working with both of you!

The school council exists to provide a parent voice in supporting the school in the best outcomes for all students. All parents are invited and welcome to our meetings which occur on the 3rd Tuesday evening of the month. See the newsletter for upcoming dates.

Parent volunteer register - if you are interested in contributing to the school community you don't have to be a member on council! You can contribute by volunteering at one of our fundraising events or busy bees throughout the year. Please email the council to be added to the list.

We look forward to meeting more parents this year at our events!
