Dear Parents and Carers

SHARING EXPO

Tuesday 15th – 2:30pm – 4:00pm

We would like to invite all parents to come and visit our school and check out all of the amazing learning happening in ALL of our classrooms.

We will be sending out a map for families to follow a trail around the school to see the work our students have been doing on our Global Concept; Identity.

CHRISTMAS CELEBRATIONS

Our school regularly participates in a variety of activities leading up to the Christmas holidays. This is an opportunity for our students to show empathy and kindness for other children and families who may be in a position that is less fortunate than theirs.

1/ CHRISTMAS WITH FRIENDS

This is an opportunity for our students to demonstrate their amazing talents to our school.

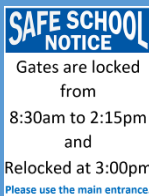

A gold coin donation is collected from members of the audience and this money is donated to a charity for children.

Our School Mission

Working Together, nurturing personal achievement and lifelong learning sustained by explicit values and strong school, family and community partnerships.

Our School Values

PERSONAL RESPONSIBILITY, INCLUSION, COOPERATION and GLOBAL CITIZENSHIP

2/ CHRISTMAS COLLECTION

We will continue our long standing involvement with Food Bank. Parents and students will be able to bring non-perishable items into the front office and place them in the tubs provided. Food Bank then redistributes these items to families in need.

3/ CHRISTMAS PAGEANT

This year, Darwin city will welcome its newest festive event – the Christmas Pageant, launching the magic of the Christmas season in the heart of the city.

The Darwin Christmas Pageant is a parade which will run through the Darwin CBD streets. It will begin at 5pm on Saturday 19 November, and will celebrate the rich and diverse culture in the Top End.

We will be having two groups involved in this exciting pageant. Our Preschool families will be pulling their trolleys and the SRC have chosen to celebrate the many charities that they put their efforts into each year to support other children and families in need. Please come and cheer these groups on.

REMINDER - PREPARATION FOR THE 2023 SCHOOL YEAR

Please contact Fiona Lynch as soon as possible at fiona.lynch@education.nt.gov.au if your child/ren will be leaving Parap Primary School. This will assist with the class makeup for 2023. The most accurate data around expected numbers for each year level will help to make sure that classes are well balanced across these areas and best support our students in their learning.

It is important that we have all relevant information as soon as possible so that we can plan accordingly. If you have any concerns or information about your child's social, emotional or academic needs that you would like considered prior to class creations for 2023, please contact Mrs Ruth Hillier. All parent requests will be taken into consideration when grouping students and allocating teachers. They must be emailed by Thursday 17th November 2022 to Ruth Hillier ruth.hillier@education.nt.gov.au

Family meal times

NT HEALTH

Eating a meal as a family has been shown to improve a child's health.

This can lead to better overall development and improve a child's:

- ✓ academic performance
- ✓ cardiovascular health
- ✓ self-esteem
- ✓ vocabulary

It's not always easy to find the time to sit down for a meal as a family, you could try:

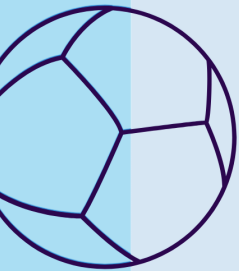

- ✓ thinking about other meals, not just dinner - breakfast together or a weekend picnic might be easier
- ✓ aim small - try having one extra meal together or fitting in a shared snack. Cook something that's easy for you, or get help with meal preparation if you need.
