A message from the Principal

Dear families and friends,

Last week our classes enjoyed participating in the National Simultaneous Storytime session. The official story was chosen for ALIA National Simultaneous Storytime 2023, to be celebrated all across Australia and New Zealand! From award-winning creators Rebecca Young and Heath McKenzie, comes this inspiring story to celebrate all winners... especially those who don't come first.

Our fundraising efforts are moving along very well.

The Crazy Colour Day is all about Fun!

It is probably going to be one of the most exciting days on our school calendar.

We are holding the Fun Run on **Thursday the 15th of June.**

Our classes have all been getting into the fun by enthusiastically applauding the teachers being soaked as we reach each target.

Now we are up to \$13,759.27. This has been raised by only 115 students. We have over 400 students from Transition to Year 6. Just imagine how much we could raise if all students had registered and begun to get sponsorship. If you have not registered your child, please go to schoolfunrun.com.au to help us with this years' fundraising target for

Outdoor Learning Areas.

Another great reason to register and gain sponsors is the fact that your child will then be eligible for prizes as they reach each target. There are some great prizes available. The online fundraising also ensures that you can fundraise safely and quickly through your contacts via email, SMS and social media.

The Year 5 classes, our Eco Warrior team, and the Student Representative Council (SRC) have all been involved in designing the first **Outdoor Learning Area** which will be funded through the money we raise in Fundraising events. We will be putting in a **Sound Garden** which will feature an assortment of large instruments made from PVC, plastic and metal. We are aiming to try and complete this project by the end of term 3 and this will provide an enjoyable space for our students to use during class and especially at recess and lunch times. Music and play are such important aspects of child development, and we want to instil a love of this in our students.

Athletics Carnival

Last week I sent out a letter to explain the new format for our Athletics Carnival. The Early Years (EY) Carnival will be held on Tuesday 13th June and the Year 3-6 (PY) carnival will be held on Monday 19th June. We are so pleased that Ray White Darwin are supporting us with this venture.

Their assistance means that there will be coffee available for parents at the EY carnival, Primary Years students will be able to compete at a world class venue with the required equipment available to allow more students to compete in each event. Transport by bus to and from Marrara Athletics Stadium, the hire of the stadium and equipment and the food for lunch is all paid for. We just need our students to return the permission notes and sausage sizzle order forms which will be sent out tomorrow!
