of term 1

Assembly

Friday 9 February—8:30am

Friday 23 February—8:30am

Friday 8 March—8:30am

Friday 22 March—8:30am

Dear families,

Welcome back to all our returning families and a warm welcome to our new families.

Wow! What a chaotic, wet and exciting start to the year! Despite the heavy downpour, it did not dampen the day as we had a lovely, calm first day back at school. It was great to get into classrooms and hear many great stories about what the students got up to during the holidays.

We had the majority of our students resume school on Tuesday. A few families have made contact and advised they are still away and a few we are still waiting to hear from. We appreciate the regular and ongoing communication so we can do our best to support your family. As always, we do our best to keep you informed via Class Dojo, which is our main form of communication. However, emails, phone calls, face-to-face talks, newsletters, Facebook and even the community notice boards are different ways we connect with our parent community. If for any reason you are not receiving these messages, please contact the front office to advise so we can resolve this for you.

Our role in shaping our future generation. In order to do so it is important that we foster a love of learning, based on current research, providing students with a balance of knowledge and skills that will prepare them for the future. It is my belief that you are a critical part of your child's education at school. You are your child's first teacher and I encourage you to continue the next part of the learning journey with the school. I believe open communication is vital and encourage you to be curious about what is happening in the school environment. Take comfort in knowing that your child is in a good place here at Parap Primary.

Over the next few weeks all classes will work on building a solid classroom culture. This includes becoming familiarised with our Ready to Learn program, which includes the Zones of Regulation, Talk to Your Brain, as well as setting the foundations to many of our programs.

Introducing the Leadership Team

'It takes a village to raise a child.' This is true for us here at Parap and our leadership team play an important part in supporting our students.

Assistant Principal – Kim Morgan

Assistant Principal – Cimarra Stephensen

LEAD Teacher – Lisa Chappell (classroom)

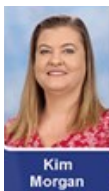

LEAD Teacher – Jacinta Berger (classroom)

LEAD Teacher – Rebecca McGill (Inclusion and Engagement)

Preschool Teacher in Charge – Sarah Hinton

Kind regards,

Bianca

Outside School Hours Care Newsletter

31 Jan 2024

Camp Australia Parap Primary School

Your
OSHC.

Welcome back to school!

We hope that everyone had a great break and ready to do this again for another year! Camp Australia had a lot fun during rocketeers, we went on a few excursions but the whole highlight of the 6 weeks was the ice skating and we even started a new routine where children did ice challenge at 4.30PM every day and our Term 1 incursion is HIPHOP dance on every Tuesdays and Thursdays.

We had welcomed new families from the rocketeers and on the first day of school, so we would like to introduce our team again.

About Triscilla: I loved working with children and had been doing so since I completed my Diploma in Early Childhood in 2014. I then move on to pursued a double degree in Psychology and Justice which helps me in understanding children development in a great way. We welcome any feedbacks from the families, so please feel free to drop in to have a chat if you have any questions for us.

About Sameil: I'm 19 turning 20 years old and moved to Darwin 5 years ago from Bendigo Victoria. I went to an academy of creative arts for music/singing and loved to play guitar. Before working at Camp Australia I was a music teachers for day care.

Activities coming up

- DIY Pencil Case
- Ice Challenge (Children's favourite)
- Who am I? game
