

# 5 Fun Facts about Miss Nat!

- I am from Brisbane, Queensland
- I have never travelled outside of Australia
- I used to have a pet stick insect
- I love to cook
- I have four siblings

I have a great deal of experience across the Education and Care sector, having worked in both long daycare and OSHC settings. I love working in OSHC as every child is unique. I am very thankful for the opportunity to inspire and guide children's growth.
