A message from the Principal

Dear families and friends,

Welcome to Week 9.

We were very pleased with the number of families who attended last night's 3-way conferences. This is always a great opportunity for children to share their learning, discuss their learning goals and celebrate their strengths. It is also an important time for our teachers and families to work together to support our students.

Last year our teachers accepted a new Enterprise Agreement which now provides for five professional development days, to be held as follows:

- One day before students commence for the school year.
 - On the first day of the second, third and fourth term (unless otherwise approved by the CE or relevant delegate); and
 - An additional pupil free day will also be held on the last day of Term 4 of each year.
- Principals have flexibility to utilise this last working day at any point throughout the year. They may opt to run planning workshops a few days after hours or on weekends. If planning is conducted ahead of the last working day of each year, teachers are entitled to this day in lieu of the additional hours taken to participate in the prior planning/workshops. Schools must provide evidence to the department of the prior planning/workshops undertaken.

Please note that this means Tuesday 18th April will be the first day back for our students in Term 2. Once again Camp Australia will offer full day care if required. Please contact them on 1300 105 343.

Our school canteen ran a Pi Day competition whereby students could submit family recipes that they would like to have featured on our menu. Congratulations to Ashely and Finnis W - Beef and Veggie Sausage Rolls and Bacon and Cheese Scrolls who won a Family pass to Weber Bros Circus. Our Runners up: each received Two children's tickets to Weber Bros Circus

Jemma B – Tuna Pie

Zach E – Fried Rice

Levi and Harvey J – Chicken Pesto Pies

Our amazing Eco team has organised a Gardening Working Bee for this Sunday from 8 till 12. If you can help with this it would be much appreciated. Please meet near Mrs Bishop's classroom for instructions.

PARAP POSITIVE NEWS STORIES

Our Maths Sharing Expo and parent information session were both extremely popular. We had over 150 parents visit classrooms and 17 parents attend the parent session. Please follow the link and enjoy the video.
