Dear families,

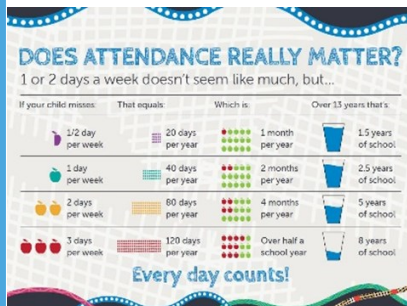

Our students have seamlessly adapted to school routines and are enthusiastically embracing their learning journey within our classrooms. This term promises a plethora of exciting activities, including Grandparent's Day, Bandana Day, Day for Daniel, Gala days, the school disco, and so much more!

### Bike Shed Update:

Thanks to the dedication of our School Council, we are thrilled to announce that this term will witness the construction of a brand-new, larger bike shed. The current bike shed will be relocated to the front of the OSHC building, offering improved accessibility for our students. Construction is set to commence in the coming weeks, so stay tuned for updates!

### Attendance:

As we approach the end of the academic year, every day remains vital for learning. It is crucial students need to be at school everyday. Unless they are unwell, it is crucial that they are present and punctual every school day. It's worth noting that even missing just one day of school annually can accumulate to 2.5 years of missed education over their school life.

### Farewell:

This term, we bid farewell to Ruth Hillier, our Senior Teacher specialising in Inclusion and Engagement. Ruth initially joined the Parap team in 2022 as Assistant Principal for a six-month stint before transitioning to her current role. During her tenure at Parap, Ruth has cultivated strong bonds with our staff, students, and community. We extend our heartfelt appreciation for her invaluable contributions to the inclusion and engagement sphere and wish her the very best on her upcoming journey.

Wishing you all a fantastic week.

Warm regards,

Bianca

## Updates!

The Touch Football incursion on every Tuesdays and Thursdays have been a hit with the children. The children have been telling us that they look forward to play every week!

Say hi to our new friend, Thunder, our texters monster!

We are trying to focus more on sustainability this term. Children had created a monster where it eats dry texters and we will bring it to Officeworks to recycle them! They named it Thunder because it produces thunder sounds when you shake the monster.
