SCHOOL COUNCIL

Our first School Council meeting for 2022 was held at 6:00 p.m. on Tuesday 15 March 2022. Our AGM will be held on Tuesday 8 March at 6:00pm.

The school council is a body corporate with an approved constitution, whose members are made up of the school community. Under the *Education Act* and the Education (College and School Councils) Regulations, the school council is responsible for:

- Advising the principal about the educational needs of the community
- Building links between parents, community groups and the school
- Assessing and advising on the physical needs of the school
- Determining community use of school facilities
- Managing the school's annual financial budget
- Overseeing work on buildings and grounds being carried out at the school
- Employing school council staff

School councils represent the aspirations of parents in their community. They work closely with the school to improve school performance through the Accountability and Performance Improvement Framework (APIF).

School councils play an important role in helping their school community build effective partnerships to enhance student learning through the Australian Government Family-School Partnerships Framework.

Most council members are parents of children attending the school. Other members include the principal, teachers, invited community members and sometimes students.

Everyone is welcome to attend our AGM. We hope to see some new faces on 8 March 2022.

The School Council can be contacted at:

parap.schoolcouncil@student.ntschoools.net

Our School Mission

Working Together, nurturing personal achievement and lifelong learning sustained by explicit values and strong school, family and community partnerships.

Our School Values

PERSONAL RESPONSIBILITY, INCLUSION, COOPERATION
and GLOBAL CITIZENSHIP

BACK TO SCHOOL VOUCHERS

We would like to remind parents to access the \$150 voucher from the school office by the end of the term. The voucher can be put towards uniforms, book packs and identified activities that have been planned and budgeted for.

These activities include; swimming and School camp.

Once any other incursions/ excursions have costs and dates finalised and you have any remaining funds you will also be able to access the balance during this term.

REMINDER - VOLUNTARY SCHOOL CONTRIBUTIONS:

Instruction in the standard curriculum program is provided free to all students in Northern Territory Government schools. Free instruction includes the provision of teaching and learning activities, instructional support, instructional materials, and administration and facilities associated with the standard curriculum program. Schools can ask for contributions to enhance their educational and sporting programs.

Financial support provided by parents plays an important role in providing resources that extend our schools' capacity to add value to our students' learning experiences. Parap Primary Voluntary Contributions are \$20 / term/ child. This equates to less than 40 cents a day. If you have not already contributed and are able to we would appreciate you visiting the office as soon as possible.

UNIFORMS

We have been advised that we can expect our uniform delivery to arrive in early March.

COVID –19 UPDATE

We would like to thank parents and members of our Parap School Community for helping to keep our students and staff safe by adhering to the guidelines set by the Department of Education. We are aware that it has been an unusual start to the school year and appreciate your support at this time.

A reminder that Early Years classes from Transition to Year 2 are to be collected from the nominated gates. All Upper Primary students are to meet their younger siblings at their EY class and exit via that gate.

Students in Years 3—6 with no younger siblings may exit from any gate as pre-arranged by the parents.

WHOLE SCHOOL ASSEMBLY

Unfortunately for the first 4 weeks of term we will not be holding our regular school assemblies due to COVID restrictions.

Classroom teachers will still nominate two students to receive a Certificate of Powerful Learning each fortnight. The certificate will be presented in class and a photo of the child receiving their award will be sent via class Dojo to the parents.

Once whole school assemblies can resume, we will let you know. We look forward to seeing you all then.

IDEAS IN NUTRITION

Packing a healthy lunch

NT HEALTH

Children eat up to half of their daily vegetables while at school.

School lunches are a great way for kids to get the nutrients they need.
Nutrients are important for learning, and support growth and development.

You could try:

- ✓ including at least one vegetable every day
- ✓ asking your child to help make food choices within a food group like:
'Would you like a carrot or capsicum today?'
- ✓ providing plain water.

Find out more about packing a healthy lunch:
