Term 1 Week 7

15 March 2023

IMPORTANT DATES

A message from the Acting Principal

Dear families and friends,

Welcome to Week 7.

We have a couple of busy weeks ahead with **NAPLAN** (Weeks 7 and 8) for Year 3 and 5 students. Mrs Stephenson has set up a fantastic learning environment for the students and Miss Fiona has prepared fresh fruit, which will support the students in doing their best.

Just a reminder about **bike safety** and the **important of wearing a helmet**. It is great to see so many students riding to school and using the crossing. In the Northern Territory if you are under 17 years of age, you must wear an approved helmet at all times while riding in a public place or on a footpath. It is important that children learn the road rules and about bike safety before riding by themselves. Parents can also use the Parap Road Safety Centre's miniature road system outside of school hours if they want their child to experience what it is like to ride on the road with street signs.

To celebrate World Math Day we are having a **Mathematics Showcase** on Tuesday 21 March 8:15am—9:15am in classrooms. Each grade has been exploring math concepts through picture story books and doing hands on activities relating to the text. Student have designed badges and keyrings that celebrate our love of Math and these will be for sale throughout the week, proceeds will go to buying more math resources for our students.

Thank you to all the parents that were on our **2022 School Council**, we appreciate your input and support of the school. Welcome to the new members of our **2023 School Council**, we look forward to working with you all.

Please note our **website** is www.parapprimary.com.au/news The website is updated regularly with important information, upcoming events and celebration of student voice.

As always, our doors are open and we are here to support you and your family; please contact us if you have any questions.

Have a great week.

Kind Regards,

Mrs Ruth Hillier — Acting Principal
